Lakshmi

Words: Traditional Music: Nasrudin

Om - - - - Srim Om - - - - Srim Lak shmi y ai

Na - mah Om

1. *Om Srim*
2. *Om Srim*
3. *Lakshmi Namah Om*

- 1 Sway (R,L), sidestep (R, together)
- 2 As 1
- 3 Spin right alone

The chant is done as a round with 3 lines of dancers formed, each line dancing quite separately and freely moving around each other. On the spin, an individual can choose to progress to another line and will need to change their part to fit in; an element of joyful confusion is normal and acceptable.

Honour Lakshmi, consort of Vishnu, whose wisdom and joy uplift us.
